

Open Position

We are looking for a individual who would be willing to help with snow shoveling and snow blowing at our group homes. Hours vary; however, a 5:00 A.M. start time is needed so vans can transport clients. And, if needed, 2:00 P.M. for returning vans. For more information about this position, please call Rob at 904-4608. Or, stop by our office to fill out an application. EOE.
